

Navidar Adds New Managing Director in Cleveland

AUSTIN, TX (October 20, 2015) – Navidar Group LLC is pleased to announce that Mark Weisman has joined the firm as a Managing Director focused on the technology, healthcare, and specialty manufacturing sectors. Mark has 30 years of experience as a successful executive, entrepreneur, investment banker, and attorney. Throughout his career Mark has had significant experience as both an advisor and principal in a wide variety of M&A and financing transactions. Mark will establish a Cleveland office for Navidar.

“Mark is a very welcome addition to our team,” said Stephen Day, Managing Director of Navidar Group. “His entrepreneurial background, operational expertise, and financing experience are exactly what we were looking for in adding a senior banker to focus on the exciting and vibrant market in Ohio and the broader Great Lakes region. We are delighted that a veteran of Mark’s status will be leading our efforts in opening the Cleveland office.”

Prior to joining Navidar, Mark spent the last 5 years of his career as a Principal at CP Capital Partners, advising companies from start-up to middle market on debt financing and capital raising. In this role, Mark has worked with his clients to provide strategic, financial, operations and management advice to position the companies for success in their financing endeavors.

“I was drawn to Navidar because of its demonstrated track record of delivering outstanding results for its clients, its experienced and well-respected investment banking team, and its reputation for putting clients’ interests first,” said Mark. “I believe the Navidar team’s assets and skills are ideally suited for the companies located in this market and their deep industry experience in technology and technology-enabled businesses is very differentiating. I look forward to building upon Navidar’s already well established brand in the Middle Corridor of the U.S.”
